Prices in USD

FOB, Aurora, Ontario, Canada

Allow 3-5 days to ship.

We are a manufacture **NOT** a retailer. All purchases must be ordered over the phone or thru email correspondence. We also stress technical advice from our engineers! It's **free** so, why not use us as a **resource for application support**. We do not need to know exact application only general application specifications. If you are concerned about disclosing your project, we can sign a non-disclosure.

Such as:

- Hot side source and temperature?
- Cold side source and temperature?
- Watts or BTU's available?
- Fuel source?
